COMPANY INTRODUCTION

Global Leader of Lifting Thread

DERMALINE Co., Ltd. is a world-leading lifting thread manufacturer equipped with one of the largest production capacity and KGMP facilities. Our top-tier manufacturing facilities are able to produce a full range of Molding Cogs from USP3 to USP 3-0. We export to over 40 countries in Europe, CIS, Asia and South America, providing our customers the best opportunity to utilize our expertise for making their OEM-ODM brands. DERMALINE Co., Ltd. will continue to research and develop to be the leader in the market and present the finest Korean lifting threads to the world.

Customer Support

- Customized production(OEM/ODM)
- Timely delivery
- Best quality

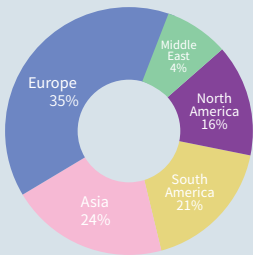

EXPORT STATUS

Certificate Status

Preoccupying 39 countries in the global market

Asia

China, Vietnam, Japan, Philippines, Taiwan, Hong Kong, Thailand, Australia

Middle East

Israel, Lebanon, Livia, Iraq, Iran, Kuwait

North America

USA, Canada

Europe

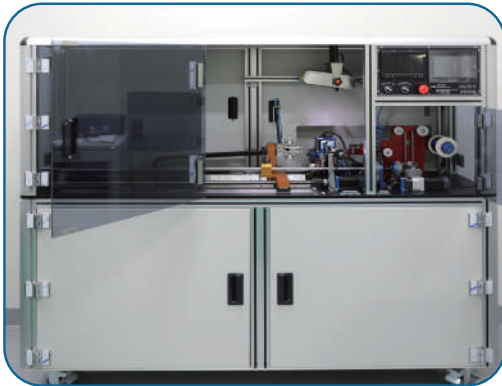

UK, Germany, Switzeland, Netherlands, Rumania, Poland, Spain, Sweden, Russia, Uzbekistan, Kazakhstan, Kyrgyzstan, Bulgaria, Finland, Czech Republic, Azerbaijan, Turkey

South America

Brazil, Mexico, Argentina, Bolivia, Dominica
